*2011 Occupational Employment Statistics Wages for Region 3.

Note: Experience requirements may relate to skill, knowledge, or work experience.

This report provides Job Opportunity information with associated Industries for employment in industries during the fall/winter months.

Research has highlighted the increasing importance of skills, basic and otherwise. Employees develop skills through a variety of ways including past work experiences, job training, and higher education. Learning new skills will help you to further your career or find a new job in a different field. The information presented here will assist individuals investing in career preparation, planning for a career change, or offering guidance in career development.

If you have questions or would like additional information, please call your Regional Analyst, Kent Sellers (260) 446-3965.
